When you have a connection to the Darkworld, nowhere is truly safe.

Ashlyn has found a new home in Blackstone, but when a spate of grave robberies across the country spark fears that someone is practicing illegal sorcery, she comes under the radar of the Venantium, the protectors of the Barrier between her world and the Darkworld, who are suspicious of any sorcerer unaware of their origins.

The trouble is, what Ash does know might just get her killed.

Sufferers of the dangerous condition known as the vampire's curse are being brutally killed, and the latest victim is Leo's guardian, the ex-head of the Venantium. Ash determines to help Leo find out what's really going on, but it isn't long before events are spiralling out of control. The dead are rising from their graves, and the barriers around Blackstone are threatened by a demon which looks exactly like Ash herself.
