Branna Murphy is a survivor, a wife, a friend, a sister, and a soon-to-be-mother. She doesn't have time to linger on anything, especially on a silly argument about how many children she will bear.

Ryder Slater is a hardass, a husband, a friend, a brother, and a soon-to-be-father. Unlike his wife, he has nothing but time to argue his case about how many children they will have until that time is threatened to be taken away from him.

A surprise honeymoon deep in a beautiful forest for a secluded getaway was supposed to be fun, romantic and peaceful until the storm of the century hits and both Branna and Ryder face a new enemy that has means to harm their family.

Mother nature.

Branna is consumed by her love for Ryder, and will fight to the end to keep her family safe. Branna treasures Ryder, and what Branna treasures, Branna defends.
