From USA Today and Amazon #1 bestselling author, Luke Romyr, comes a compelling tale of survival and companionship.

A plane crashes in the midst of the Amazon rainforest, leaving only two survivors: Jonas Drake, a wealthy award-winning author, and a terrified young boy named Jeremy.

Jonas must find the strength to lead Jeremy through an army hunting them for ransom, predatory beasts, and all manner of perils not found in the concrete jungle he usually calls home. To keep Jeremy calm, Jonas shares extraordinary stories involving magical characters, tales from his early days as an author. Unfortunately, neither of them know what to do when these creations start to come alive in the jungle surrounding them.

Filled with profound characters, this stunning adventure journeys into the heart of a man turned cold by a world he barely recognizes, who slowly thaws while learning to care for someone other than himself.
