Ever since she was a little girl, thirty-year-old Rose dreamed of the day Harley would carry her across the threshold on their honeymoon. So what if this isn't her actual wedding day, and that she's only here because Harley was left at the altar just a few hours earlier?

Trading San Francisco for paradise and swapping her bridesmaid's bouquet for a Blue Hawaii, Rose hopes she can finally escape the friend zone.

Once upon a time they had been more than friends, but life got in the way. She's spent every day since wishing Harley would get a clue.

She's always been his best friend.

He's always been hers.

She's in love with him.

He's not in love with her.

He's marrying someone else.

He's hiding something.

He's well...it's complicated.
