Renowned for their courage, their chivalry, and their ability to fight mythical creatures, the Knights of the Round Table must face their most dangerous opponents yetâ€”DINOSAURS!

This heavily illustrated middle grade novel from award-winning author and artist Matt Phelan is a hilarious, rip-roaring tale of derring-do perfect for reluctant readers and fans of *How to Train Your Dragon* and *The Terrible Two*.

Let me tell you a secret about the Knights of the Round Table: they donâ€™t have much to do. The realm is at peace and dragons are few and far between. So Merlin decides to send the knights out on a real adventure to a world filled with the most terrible lizards of all: DINOSAURS!

Knights vs. Dinosaurs is a highly illustrated, fast-paced adventure full of uproarious knightly hijinks, surprising secrets, and terrifying dinosaurs. With art on nearly every page, including an epic fight scene depicted in several graphic-novel style spreads, this engaging story is Monty Python for young middle school readers.

A great choice for reluctant readers, aspiring knights, and fans of Peter Brownâ€™s *The Wild Robot*.
